

U.S. Patent Application No. 09/996,516  
Amendment dated October 24, 2005  
Reply to Office Action dated October 11, 2005

**REMARKS/ARGUMENTS**

Reconsideration and continued examination of this application are respectfully requested.

In the Amendment, the withdrawn claims have been canceled. New claims 30-32 recite the embodiments of allowed claim 18. Therefore, the remaining pending claims, namely claims 14, 16, 18-27, and 30-32 are now pending. The Examiner has indicated that claims 14, 16, and 18-27 are allowed. Accordingly, by entry of this Amendment, the only claims remaining are the allowed claims and new claims 30-32.

Since the only issue remaining, as set forth in the Office Action, is the cancellation of the withdrawn claims, all matters have now been fully responded to.

**CONCLUSION**

In view of the foregoing remarks, the applicants respectfully request reconsideration of this application and the timely allowance of the pending claims.

If there are any fees due in connection with the filing of this response, please charge the fees to Deposit Account No. 50-0925. If a fee is required for an extension of time under 37 C.F.R. § 1.136 not accounted for above, such extension is requested and should also be charged to said Deposit Account.

Respectfully submitted,

  
Luke A. Kilyk  
Reg. No. 33,251
